## Hello fellow artists,

2011 was a very fun year. I had the opportunity to present 3 workshops in Illinois, 2 in Arizona, 6 in Florida, one in Wisconsin, Colorado and Minnesota plus 8 day long workshops in Oshkosh. Not to mention the 2 back to back group trips to Italy last April! All workshops and group trips were wonderful and I certainly hope everyone had a great time!

The first group to Italy started in Rome for 4 days and continued south, to the Amalfi Coast visiting Pompeii, Sorrento, Amalfi, Revelo.

The second group was whisked away to Tuscany for a week long stay, visiting Florence, Sienna and San Gimignano. This group finished their trip with 3 days at Rome.

I did demonstrations from this beautiful patio overlooking the Tuscan landscape.

The group trip to Colorado at the end of September was perfect! The aspens were turning golden right on "Q" for us! We painted each day either from our studio or on location. Each day, we soaked in the hot spring pools and also enjoyed massage therapy!

## On to 2012

We have planned a group trip to Spain. As of this writing, I have only one double room available and still need a roommate for a gal! So, if you are interested, contact me ASAP! Dave and I traveled to this region of Spain after the group went home from Portugal in 2010. We loved the culture of this area so much that we decided to offer this group trip. The best of all, our guide in Portugal, Maria, who was the best ever, will be our escort from Seville till the end of the adventure.

I hope you will be able to join me at a workshop or on one of our travel adventures. Please note the Special Portrait Workshop at Sebring, FL. I do not present portrait classes but made an exception for this workshop. I am organizing this on my own so contact me if you are interested. More details in the newsletter.

## Joye Moon Art Scholarship

I created this scholarship to give people a creative experience. When I was in 8th grade at Webster Stanley Junior High, I was awarded a scholarship to attend the University of Wisconsin at Wausau, WI for a week of art classes. Kids from all over Wisconsin attended this art camp and this experience changed my life. It gave me such a wonderful feeling of being accepted into the art community that I want to share that feeling with others. I have focused on young people to receive this scholarship but have also given awards to adults as well. This brings me great joy to offer this scholarship and have people feel special about their passion of art as well!

### Joye Moon Art Scholarship 2011 Scholarship Winner Gloria Dorschner

Gloria Dorschner was selected for the 2011 scholarship. Gloria will use the money to attend three different art workshop in Wisconsin this summer. At the time of the award, Gloria graduated from 8th grade from Webster Stanley Middle School in Oshkosh, WI. Coincidentally, I was in 8th grade at Webster Stanley when I received my first scholarship!

## Donation

I created this painting for ACT [Artists Changing Tomorrow] International 2012 fundraiser in Houston, TX. Proceeds go to support art programs throughout Texas. The fundraiser in 2010 raised almost \$40,000!

## Two New Books

Kennedy Publishing invited me to be a part of several books that will be published in 2011. My work will be featured with a two page spread in "The Best of World Wide Watermedia Artists" and "The Best of World Wide Portrait and Figurative Artists" These books are produced for art collectors as well as the general public. At some point, I will have copies available for sale through my workshops and website. I am very honored to be a part of these wonderful publications! These books are absolutely beautiful and filled with creative work from around the world!

"The Best of Worldwide Portrait and Figurative Artists" by Kennedy Publishing

Theresa Drinka, my artist/author friend, has just published her second book, "Stung by B's". It is a fascinating adult storybook on how to recognize and survive venomous behavior for people who touch your life. 200 true stories are unfolded to you. Read the introduction at [www.stungbybs.com](http://www.stungbybs.com). The book can be found at Amazon.com.

## My Book

continues to sell well throughout the country as well as around the world. I am very grateful for this. You can order a copy directly from me, just email me your order and I will autograph your copy.

## **Costa Rica, January 2013!!!**

We will travel back to Costa Rica next January, 2013. The first group trip to Costa Rica was so amazing that we decided to present it again since there were so many requests. This will be an adventurous ECO-trip with visits to artists studios included. We will explore rain forests, the cloud forest, volcanoes, stay in individual cabanas above the mangroves, with boat trips to explore the flora and fauna of Costa Rica.

The food is fresh and organic, with accommodations first rate! Many of us did the Zip Lines! This is a rare opportunity to explore Costa Rica from coast to coast with a guide to provide expert knowledge of the culture.
