## Hello fellow artists,

2010 was an amazing year! Such wonderful events, travel opportunities and great people to meet and work with. In January, Dave and I traveled to Marion, Illinois for a great workshop then continued to Georgia for a demonstration at Tifton followed by a workshop at Moultrie. I have more demonstrations, book signings and workshops to conduct at New Port Richey and Anna Maria Island, FL. March took us to Arizona where more workshops were pre-

sented at Sun City West and Pebble Creek, west of Phoenix. How nice to be away from Wisconsin at this time of year.

The trip to Portugal was one of the most pleasurable and interesting tours we have even done! 20 travelers explored almost all the highlights of this wonderful country. If Portugal is not on your "bucket list" it should be! Our guide, Maria, was our BEST EVER! After the group headed home, Dave and I, along with his sister, Karen and husband, Ed, continued onto Spain for an extra week. We stayed in Seville, doing day trips to Cordoba and Granada and completed our extension in Madrid. We loved it so much that we are planning a group trip to Spain for 2012.

Late June took us to Colorado to present a workshop in Ft. Collins at a lodge with great people. In September we traveled to North Carolina to present a workshop at Brevard and Cornelious where the workshops were filled to the brim! I have taught many times in N. Carolina but this was the first time Dave could come along to tour Asheville and the Biltmore Estate and Gardens and get to know this picturesque state.

What a wonderful year with great memories of fun people to travel, paint and learn with!

## On to 2011

There are some very exciting things happening for 2011. I have 3 workshops in Arizona during January, 6 workshops in Florida plus several demo's and book signings. The end of April, we will take 2 back-to-back groups to Italy. Everyone LOVES Italy so these trips filled quickly. There are only a few spots still available so please check out the article in this newsletter and go to my website for details.

I was honored to be invited to present a 4 day workshop for the TWSA, the Transparent Watercolor Society of America in September. And, back by popular demand is another group trip to beautiful Colorado for a weeklong workshop at Mt. Princeton Hot Springs Resort. [See details for both these workshops in the newsletter]

EXCITING NEWS! I will be launching my new and improved website on January 1, 2011. It will now include a Travel page, a new "Blog" and "What's New" page so you can find out much quicker what's happening with workshops and travel opportunities. So, check out my new site on January 1, 2011.

My book continues to sell well throughout the country as well as around the world. I am very grateful for this. But the most wonderful thing happened on October 29, when our daughter, Rachel, married Mike Jaciuk [pronounced Ya Check] in Milwaukee. The boys in our family are now even with the girls at 3 and 3 and we could not be happier!

I hope you will be able to join me at one of these locations for a workshop or a travel adventure. Looking forward to seeing familiar faces and meeting new people in 2011.

## Italy Tours, 2011

There is still time and a bit of space available on either of the Italy tours. Trip #1, April 26 to May 7, 2011, [Rome and the Amalfi Coast] has 2 spots available. Trip #2, May 7 to May 17, 2011 [Tuscany and Rome] has 6 spots available. Both are \$2650, ground only. This is our 17th International tour and the sign ups were very fast! A complete itinerary of both trips can be viewed at my website, [www.joyemoon.com](http://www.joyemoon.com). If you are interested, contact me as soon as possible for flight information and more details.

## Sebring Florida Workshop

March 9,10 & 11, 2011

This three day watercolor workshop will take place at the beautiful Inn on the Lakes Resort in Sebring, FL. You can truly immerse yourself in creativity for three solid days and nights at our studio space at the resort. Breakfast, and lunch is catered each day and we will enjoy two group dinner's.

Course description:

Project 1:

I have had requests to teach an abstract project that will take up the first two days of the workshop. You will go about building an abstract painting using new methods and techniques that will blow your mind! We will also use masking tape shapes to add color by spraying paint as well as take away color by using Mr. Clean Magic Eraser. We will focus on design and movement to construct this major painting! We need a full two days of the workshop to accomplish this!

Project 2:

Your second project will be a landscape that will incorporate casein to create birch or aspen trees. We will build the mountain background using several methods to achieve the depth and texture needed. Shadows will become an intricate design in the painting.
